TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the Inhabitants of the Town of Hampton Falls
in the County of Rockingham in said State, qualified to
vote in Town Affairs:*

You are hereby notified to meet at the Town Hall in said Hampton Falls on Tuesday, the thirteenth (13) day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town wishes to have Christmas lights installed on the Common during the Christmas season; if so to raise and appropriate the sum of Fifty dollars (\$50.00) for same.

4. To see what action the Town will take in regard to accepting the gift of Whittier Green from the Village Improvement Society.

5. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the control of the White Pine Blister Rust, in cooperation with the State Forestry and Recreation Department.

6. To see if the Town will vote to raise and appropriate the sum of \$231.57 for Town Road Aid, the state to contribute \$926.29.

7. To raise and appropriate, for economic advancement of the Town through publicity and promotional services of the Seacoast Regional Development Association, in cooperation with other regional communities, a sum not exceeding one one-hundredth of one percent of assessed valuation, the sum of \$110.00.

8. To determine whether the Town of Hampton Falls will transfer title to the Hampton Falls School District of the triangular parcel of land, not already deeded to said school district and bounded on the northerly side by the Exeter Road; the westerly side by land recently deeded to said district; the southerly side by privately owned property and converging to a point on or near the Lafayette Highway; said title to revert to the Town of Hampton Falls at such time as said land is not used for school purposes and to raise and appropriate the sum of Fifty dollars, (\$50.00) for this purpose.

9. To see if the Town of Hampton Falls will give to Irving Jones the exclusive right to use Eastman's Creek for five years for the purpose of conducting an experiment in the relation to the propagation of clams and for his protection in conducting the experiment to restrict that area from clam digging by any person.

10. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the purpose of constructing a lower ceiling in the stage end of the Town Hall.

11. To see if the Town will vote to raise and appropriate the sum of \$100.00 with which to purchase two

filing cabinets, one for the use of the Town Clerk and one for the use of the Chairman of the board of Selectmen.

12. To see if the Town will vote to give the Selectmen authority to sell any property acquired by tax sale.

13. To see if the Town will vote to give the Selectmen power to borrow money in anticipation of taxes.

14. To see if the Town will vote to transact any other business that may legally come before this meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and fifty-one.

WALLACE H. BATCHELDER,
WILLIAM W. MARSTON,
GEORGE W. POND,
Selectmen of Hampton Falls.

A true copy of Warrant — Attest:

 Nov. 18 — 5:15 p. m., Chimney fire, Gordon Currier.

Dec. 25 — 1:40 p. m., Barn fire, Carl Myers.

Jan. 5 — 7:10 a. m., Chimney, Mrs. D. F. Batchelder.

In addition to these regular runs:

April 14 — Burned grass at Herbert Emmons and Bernard Marks.

April 22 — Burned grass at Mrs. A. W. Chase, George Brinkman's, Wm. Felch and Nicholas DeBenidictus.

June 10 — Burned the dump.

Sept. 2 — Test Run.

Sept. 5 — Underwriters Test.

Nov. 11 — Filled Town Hall cistern.

At the underwriter's test the pump went through all the tests above the standard requirements and a recommendation was made for an Insurance reduction, which has gone into effect over most of the town.

LOUIS B. JANVRIN, Chief.

REPORT OF LADIES' AUXILIARY OF THE HAMPTON FALLS VOLUNTEER FIRE DEPT.

This group was organized March 1949 with twenty-four members. We meet the first Monday evening in every month.

Since that time, we have earned money by having card parties, entertainments, food sales, suppers, etc.

We have bought for the Fire Department, hose, raincoats, helmets, a portable pump, a first aid kit and a stretcher. We have also bought chairs, dishes and other equipment for the fire station.

In all we have spent nearly eight hundred dollars (\$800.00) in these two years.

The members appreciate the constant cooperation of all who have helped.

FOREST FIRE PREVENTION PAYS DIVIDENDS

Most forest fires are preventable because someone is responsible for them. State records for 1950 show 94% of 632 fires resulted from human perversness and carelessness. Refusal to secure the required warden permit before burning; failure to use good judgment, lack of equipment and assistance while burning; carelessness in smoking and poorly conditioned woods equipment (trucks, tractors, etc.) resulted in a total of 6090.6 burned acres with a loss of \$63,949.10 in valuable property.

Fortunately, these human factors can be dealt with because people can be reached. This the local forest fire warden tries to do by informing his fellow citizens that EVERYONE MUST:-

1. Secure a written permit to burn in or near woodlands when the ground is not covered with snow.
2. Use good judgment in burning and have enough equipment and assistance to keep fire under control at all times.
3. Be careful when smoking in or near woodlands and refrain from throwing lighted material from automobiles.
4. Make certain that all equipment used in the woods is in good condition.

His success depends entirely upon public reaction to his appeals. He does his part — the rest depends upon YOU and

YOUR compliance with burning requirements.

YOUR care with YOUR fires and YOUR smoking and

YOUR care of motive equipment you use in the woods.

It all aids, materially, in reaching the desired goal, the

PREVENTION OF FOREST FIRES — because PREVENTION
PAYS DIVIDENDS!

MERTON A. WEBBER, District Fire Chief

Number of permits issued — 34.

PERLEY E. LADD, Forest Fire Warden.

WALTER W. COMBS,
Trustees.

LIBRARY REPORT

During the year the library has added 20 books of fiction, 13 books of non-fiction and 13 juvenile. Among the non-fiction were those on American Colonial Furniture and American Glass which with three on Hooked Rugs, Crocheting and Buttons now in the library, it is hoped may form a nucleus to which others on Arts and Crafts may be added. A twenty volume set of the Book of Knowledge was purchased and was placed in the school house for the use of the scholars during the school year. These will be available for general use at the library during the summer vacation.

The school children were taken to the library by Mrs. Ainsworth to learn how to use the library and familiarize them with it. Books required at the school are taken for use there and changed as needed.

Books have been donated to the library by the Grange, St. Georges' Guild, Mrs. Maurice Perkins and Miss Louise Hawkins.

The appearance of the Library building has been much improved by a coat of paint, labor and materials being provided under the auspices of the Grange.

Much needed repairs to the underpinning have been made.

EDWIN L. JANVRIN,
Chairman of Trustees.

BOOKS ADDED TO LIBRARY

Fiction:

Bellamy	Big Freeze
Bennet	Mudlark
Carroll	Christmas Without Johnny
Chandler	Lady In The Lake
Cronin	Spanish Gardener
DuMaurier	The Parasites
Eberhart	Wolf In Mans Clothing
Erdman	Edge Of Time

CURTIS T. SANBORN,
Auditors of Hampton Falls

REPORT OF SEACOAST REGIONAL DEVELOPMENT ASS'N.

This is one of the six incorporated regional Associations accredited by the State carrying on effective programs of publicity and information through central offices and maintaining a service whereby their cities and towns are brought together through representative citizens as directors in constructive work for economic advancement of their communities.

The Seacoast Association has accomplished much by dignified publicity for the Region, its natural resources, scenic and historical attractions, excellent facilities and services, fine educational institutions and its unsurpassed products of agriculture, industry and marine fisheries.

This far reaching publicity has been instrumental in the creation of more business, the expanded building of taxable property and providing employment. Comparable publicity and effective results would be extremely difficult for any community to accomplish alone and the cost would be prohibitive.

The Association has brought civic and business groups together for promotional objectives and to meet arising problems by proper approach and considerable progress has been realized.

Extensive studies are well under way for preserving the clam and lobster industries.

The shore and beach erosion problem is being given particular attention.

Assistance is being extended for rivers, harbors, and bay improvements, transportation facilities, highways, roadsides, erosion, agricultural fairs, 4-H clubs, green pastures, recreational areas, Coast Guard service, marine fisheries, industrial development, historic attractions, conventions and other important considerations.

The Association is constantly in contact with Local, State and Federal agencies, is well represented on Commissions and advisory boards and is the accepted source of information and assistance in all these connections.

The State appropriates funds to be used for salaries of regional association secretaries. The Associations are called upon by the State as representatives of their respective regions. The cities and towns are relied upon to enable the associations to maintain and improve these services.

SCHOOL REPORT

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Hampton Falls qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the Ninth day of March 1951, at 4 p. m. in the afternoon to act upon the following subjects:

1. To choose all necessary School District Officers for the ensuing year.

2. To choose a moderator for the ensuing year.

3. To choose a Clerk for the ensuing year.

4. To choose a Treasurer for the ensuing year.

5. To choose a member of the School Board for the ensuing three years.

6. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers of the district.

7. To hear the reports of agents, auditors, and committees, or officers chosen, and pass any vote in relation thereto.

8. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

9. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as may be received from the State equalization fund together with other income.

10. To see if the district will raise, authorize, and appropriate the funds necessary to balance the district budget for the school year ending June 30, 1951.

11. To see if the district will authorize the transfer of one thousand seventeen dollars and twenty-seven cents (\$1,017.27) appropriated for insurance coverage to assist in balancing the 1950-1951 school budget.

12. To see if the district will raise and appropriate the sum of eleven hundred and eighty-five dollars (\$1,185.00) as the additional amount necessary to balance the school district budget for the school year 1950-1951 due to necessary additional teachers and janitors salaries and transportation costs.

13. To see what action the district will take in regard to the naming and dedication of the new school building, and what funds shall be raised and appropriated if any.

14. To see what action the district wishes to take in regard to non-school members visiting school unaccompanied by their parents.

15. To see what action the district wishes to take in regard to audit of the school books.

16. To take up any other business that may legally come before this meeting.

Given under our hands at said Hampton Falls
this fifteenth day of February, 1951.

ROBERT G. PERFECT,
JOHN G. CRAM,
OLIVER H. AKERMAN,

School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Hampton Falls: I herewith submit to you my twenty-first report as Superintendent of your schools.

The current year began Wednesday, September 6, 1950, with a September enrollment of 61 pupils, 26 in the upper grade room and thirty-five in the lower grades. This compares with an initial enrollment of forty-four pupils in the previous year. There are at present, thirty-nine pupils in adjoining High Schools.

Our new school building offers a pleasant work-shop for our pupils. The rooms are of acceptable size, by the most modern standards, are well-lighted and ventilated. The acoustical ceilings and sound absorbent wall finishes bring about quiet rooms in which children can study more efficiently. The school kitchen is an added service to our children. It is conveniently placed and equipped with minimum essentials for hot dishes. The teachers have developed a plan whereby the children now have a hot dish each day. This is a real benefit since cold lunches are not conducive to good work, especially in the afternoon. It is a completely functional building with no unused space and proves the care with which construction was planned. Hampton Falls is proud of a building which adds to the attractiveness of the town.

Thirty-five pupils in three grades presents a problem of over-crowding which can only be helped by employing an additional teacher and dividing the grades. Pupils require more individual attention than can be given under the present conditions. For this reason, it was voted by the School Board to secure a teacher qualified to take charge of one of these groups, the

first grade preferably, since that is the largest. With this third teacher, more time can be given in training for the fundamental skills introduced in the lower grades.

The present national emergency will materially effect the school situation, especially in the critical areas in which Hampton Falls is located. Plans on a state-wide basis call for the teachers to be trained in first aid, since it is they who will be in immediate charge of the pupils. This will require that time be taken from the regular work for such training. A time table has been set up by which this emergency work will be done, so that our children will be as well protected as possible in case of attack in nearby locations. The help of Red Cross workers and first aid specialists will be sought. The cooperation of all will be needed in this situation.

New Hampshire is sponsoring in-training service for all teachers. One such school was conducted in Hampton during the past summer which Mrs. Ainsworth attended. This school was taught by instructors from the regular staff of Keene Teachers College, and received regular college credits. This year such a course is being conducted in Hampton for the teachers of this Union. The sessions will be held in Hampton High School beginning January 31, 1951. They will be scheduled from 4:00 p. m. to 6:30 p. m. on Wednesday afternoons. By having these courses concurrent with the school session, it is felt a clearer correlation with actual class procedures will be obtained. That the teachers devote this added time to an already busy schedule is to their credit and to the benefit of our children.

Hampton Falls is offering its children services comparable to the larger towns. Art and music are part of any child's rightful heritage. It is not the purpose to train professional musicians or artists. It is the aim of such work to teach children enough about these subjects

so that their home life may always be enriched by enjoyment of the fine arts. The ability to see and enjoy beauty in all things is a quality to be sought. Such ability, acquired, is never really forgotten.

Once again we shall be compelled to work under national emergency conditions. School enrollments will be changing and supplies and equipment will be scarce and priced in higher brackets. However, we have a new building, trained teachers and interested citizens. I have no doubt that every means will be employed to keep Hampton Falls among the best schools of the state. To this end we shall all dedicate our best endeavors.

Respectfully submitted,
ROY W. GILLMORE,
Superintendent of Schools.

January 29, 1951.

ART TEACHER'S REPORT

The main objective of the art program was the development of the creative ability and the imagination of each child. An attempt was made to give the students experience and training in a variety of mediums so that special talents might be recognized and encouraged.

The children of the first three grades worked with crayons, cut paper, poster paint and finger paint. Some very excellent work was produced by them.

The upper grades discussed color harmony problems, the use of Art in daily life, did some research into the lives of some of our great artists, architects and sculpturers. They worked out some prospective problems, did some figure sketching; they also worked with finger paint, poster paint, and crayons.

In closing, I wish to express my appreciation to all who have cooperated so splendidly in making this a successful year.

Respectfully submitted,
REGENIA P. MATTHEWS
